DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The response dated 2/16/07 is in error or incomplete. Amended claims do not accurately show the mark up (change) in the claim limitations. For example, claim 11 (amended) shows an extra section (lines 9-11) which was not in the previous version of the claim. The applicant is required to show proper mark up of the claim changes throughout the claims.

The applicant is given 1 month to respond from the date of mailing of this communication.
